

CALL FOR SUBMISSIONS
SPECIAL SECTION ON THE DYNAMICS OF CHOICE

Submissions are invited for a special section in the *Journal of the Experimental Analysis of Behavior* on the dynamics of choice. Articles for this special section should make a novel empirical or theoretical contribution to topics that may include choice behavior in transition, behavior when there are cyclical changes in the contingencies of reinforcement, the short-term and long-term effects of individual reinforcers, or related areas. John Staddon, Jeremie Jozefowicz, and William Palya are serving as editors for this special section. The deadline for submitting manuscripts for consideration for publication in this special section is September 1, 2009. Submissions for this special section will be reviewed in the normal manner, and should conform to *JEAB*'s format (see "Preparation of Manuscripts" in this issue). Manuscripts should be in Word format and be sent as an email attachment to the Editor, James E. Mazur (jeab@southernct.edu). Be sure to indicate in your e-mail that that you wish to have the manuscript considered for publication in the special section.
